

Walter Segal Self Build Trust

INTRODUCTION TO ENVIRONMENTAL TIMBER FRAME SELF BUILD

DOWNLOADABLE BOOKING FORM

Cost: £65.00 / £50 supporters /limited concessions available

This is a short introductory course designed for anyone interested in self build. The aim is to inform and inspire, and no prior knowledge of the building process is required.

Topics covered will include: What is meant by self build?; different self build models; different timber frame building methods; environmental building considerations; ‘green’ materials; design; getting the best out of a site; funding; planning issues; how the Walter Segal Self Build Trust can help.

To book a place on one of the courses listed on the website, please complete the form below and return it to:

Mary Kelly, Walter Segal Self Build Trust, 15 High St, Belford, Northumberland NE70 7NGP
